It is also important to be aware that the juvenile data is counted based on the date of disposition. This is the date that the case is disposed or adjudicated by the juvenile court and then reported to the TCJFCJ during calendar year 2007.

TENNESSEE COUNCIL OF JUVENILE AND FAMILY COURT JUDGES 2007 ANNUAL JUVENILE STATISTICAL REPORT

REFERRALS BY TYPE OF OFFENSE, AGE GROUP, RACE, AND SEX IN CY 2007

African American Females (**3,231**) are most often found in the age group 15 through 16 years followed by the age group 17 through 18 years containing the next highest number (**2,006**) of referrals.

In the Status/Unruly category, white males (**5,059**), white females (**3,626**), African American males (**1,757**) and African American females (**1,041**) are found most often in the age group 15 through 16 years.

Referrals for White Males (**2,246**) and White Females (**2,186**) are followed by referrals for African American Males (**952**) and African American Females (**942**).

In the referrals for Other Violations category, of which there were **225** total, the highest numbers for all youth (**116**) appear in the 15 through 16 years age group. Other Violations include both: Violation of Pretrial Diversion and Violation of Informal Adjustment.

In the Special Proceedings category the highest numbers for all youth and the highest number in all categories (**20,791**) appears in the Birth through 10 years age group. * Special Proceedings include the following: Judicial Review, Administrative Review, Foster Care Review, Custody, Visitation, Paternity/Legitimation, Child Support, Requests for Medical Treatment, and Consent to Marry.

Other, which is the final category, is one that the Council looks forward to minimizing when the future data collection system is in use. This category is used to identify referrals that do not fit under other classifications and the numbers show that a total of **11,042** referrals were placed in this group.

AR21 The 3 tables showing children referred to juvenile courts with delinquent referrals, dependent/neglect and status/unruly go here.

*The statistics show that some courts are under-reporting the number of Judicial and Administrative Reviews being conducted by their court staff.
